

## SECRETARY REPORT 2016

### TEAMS

Harrington United Football Club had another very successful year on the field this year

Players: 2016 saw the club grow to 745 registered players comprising a mixture of SSG youngsters through to the club's first ever over 45 Mens team.

Teams— In detail we had 9 senior teams, 19 junior and 37 Small Sided teams. This was the biggest enrolment in the club's history.

### FFA CUP

2016 saw the club enter the FFA cup for the first time. Despite being unable to field the club's strongest team on match day the experience was invaluable for some of our players going forward.

### MFA CUP

We had both a Ladies and Mens team entered this year. The ladies team didn't qualify for finals unfortunately but our mens team went down in the grand final against Camden Tigers 4-0.

### KANGA CUP

2016 saw 5 teams enter with our first ever entry in the SSG tournament.

Although none of our teams won their competitions all were extremely competitive and highlighted the overall depth and quality of players within our club.

### STATECUP

A number of teams entered The Football NSW state cup and a significant milestone was reached for the club and in particular the U15 Blue side. They were the first team in the clubs history to win a state based competition. Now that they have broken the ice we look forward to more teams within the club achieving similar heights in coming years.

### CHAMPIONS OF CHAMPIONS

The club had 3 teams qualify for the Champion of Champions tournament with The Over 45 going out in their first round. However the U 15s and the U17 team have now reached the final 8 and play tomorrow October 9. As an indication there are 3 teams left in the tournament from all of the Macarthur qualifiers and 2 of them are from Harrington United. Another outstanding result to date with potential for much more.
