

HARRINGTON UNITED FOOTBAL CLUB – JUNIOR VICE PRESIDENT REPORT – 2016

This is my first year as an Executive Committee Member with Harrington United Football Club as Junior Vice President. I can say that I have thoroughly enjoyed this role even though it has been a steep learning curve.

Prior to taking up this role I did not realise how much work was involved in running a successful club like ours. This Club would not exist without the commitment of our Executive Committee Members, General Committee Members, Coaches, Managers and parents.

I would like to acknowledge the Executive Committee members that are formally stepping down at the AGM on Saturday 8th of October, 2016.

Their many years of commitment, experience, dedication and service will be truly missed and can never be replaced.

Rhonda Atkinson – President

Gail Tomlin – Secretary

Sherralee Carter – Senior Vice President

Kellie Weaver – Treasurer

In Season 2016 our Small Sided Games (SSG) teams consisted of 307 players (47 females / 260 males) in 37 teams. It is pleasing to see that participation levels have continued to grow from last year.

During the season our SSG teams had the opportunity to be involved in the following-

T3 Australia – an external training provider which gave our players expert tuition

Kanga Cup at Canberra – U10 blue team competing in this competition

Semi Final Game at Pirtek Stadium, Parramatta btw WSW and Brisbane Roar – U10 blue playing during half time break.

Country V City game at Lynwood Stadium – U6 blue playing during half time break.

Annual Gala Day – All SSG teams involved in the end of year Gala Day.

I can report that the Club had a very successful season. I would like to thank everyone involved in our great Club who have contributed to our success.
